► Experience

TechCorp

Key skills: Angular, Node.js, NestJS, PostgreSQL, AWS

Senior Fullstack Engineer

2022 - Present

- Architected and led the migration of a monolithic AngularJS application to **Angular 16**, resulting in a **40%** improvement in page load time.
- Designed and implemented microservices using **NestJS** to decouple complex business logic from the legacy monolith.
- Mentored 3 junior developers, conducting code reviews and pair programming sessions to improve team code quality.
- Introduced **Unit Testing** coverage (Jest) from 0% to 65% in critical modules.

WebSolutions

Key skills: Angular, Node.js, Express, MongoDB

Fullstack Developer (Mid-level to Senior)

2019 - 2022

- Built a custom e-commerce dashboard using **Angular** and **NgRx**, handling complex state management for inventory and sales data.
- Optimized backend API endpoints in **Node.js**, reducing response times by **30%** for high-traffic endpoints.
- Integrated third-party payment gateways (Stripe, PayPal) and shipping providers.
- Collaborated with UX/UI designers to implement responsive and accessible interfaces.

StartUp Inc

Key skills: Angular, HTML, SASS, JavaScript

Frontend Developer (Junior to Mid-level)

2016 - 2019

- Developed reusable UI components using **Angular**, establishing a shared component library used across multiple internal projects.
- Implemented real-time features using WebSockets (Socket.io) for collaborative task editing.
- Participated in agile ceremonies (Scrum) and contributed to sprint planning and retrospectives.

► Education

B.S. in Computer Science

Universidade Federal de Tecnologia

► Skills

Languages: JavaScript, TypeScript, Node.js, Python (Basic)

Databases: PostgreSQL, MongoDB

DevOps: Docker, AWS (EC2, S3, RDS), CI/CD (GitHub Actions)
